

# 2023 FROST & SULLIVAN ENABLING TECHNOLOGY LEADERSHIP AWARD

*Identified as best in class in the Global digital sustainability in fashion industry*

SMX helps various sectors effectively switch to a circular economy, consequently minimizing carbon footprint.

It launched a 3rd-gen blockchain platform in 2020, enabling secure revenue flow and circular data management.

SMX excels in the following criteria in the global digital sustainability in fashion industry:

**COMMITMENT TO  
INNOVATION**

**APPLICATION  
DIVERSITY**

**COMMERCIALIZATION  
SUCCESS**

**BRAND EQUITY**
